03 – TOWER LH SIDE

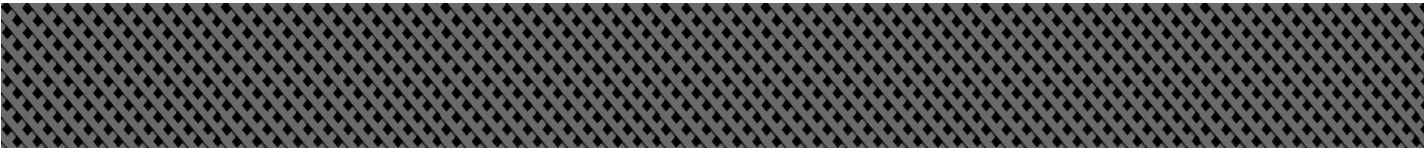

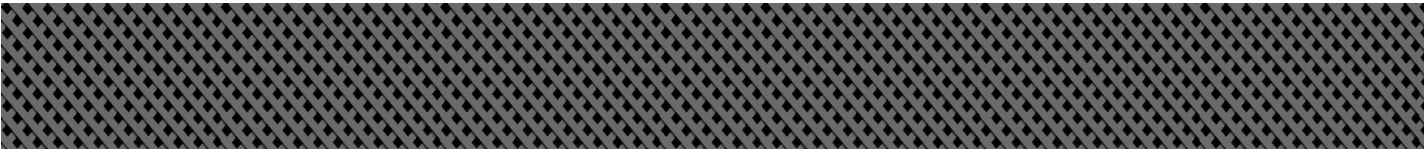

04 – TOWER FRONT

05 – TOWER RH SIDE

**PORCH TRELLIS (TRIM TO FIT)**

**TRIM STRIPS**

NB. Cut out trim strips two planks wide and apply them vertically to the corners of the house and tower.

You will need to cut them to the required length and then fold them along their centre line to form the 'L' shaped corner mouldings.

Apply glue and carefully fit in place.

Check the photographs of the finished clock to determine the exact placement of the pieces.
