

Suddenly,  
everything  
began to  
shake and  
move!  
Bug slid  
down  
down  
down.

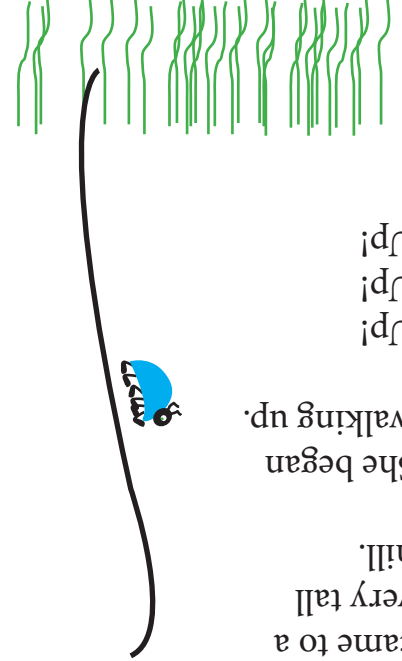

She went  
HOPI  
HOPI  
HOPI  
HOPI  
HOPI

When she  
got to the  
top, she  
saw four  
MORE  
little hills.

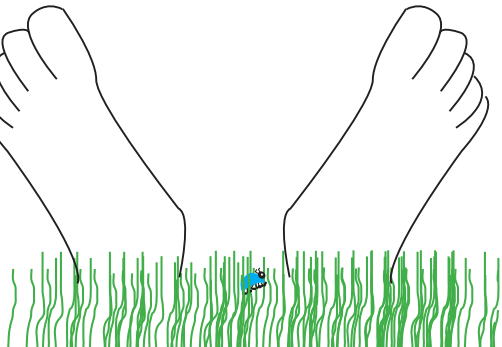

Soon she  
came to a  
very tall  
hill.  
She began  
walking up.  
Up!  
Up!  
Up!

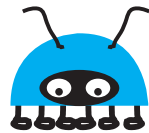

Bug continued walking  
through the grass.

What do you think she  
did next?
