The image features three black lines on a white background. One line starts at the top left and slopes downwards to the right. A second line starts at the top left, below the first line, and slopes downwards to the right, crossing the first line. A third line starts at the top center and slopes downwards to the right, crossing the second line. These lines suggest the structural elements of a chair, such as the backrest, seat, and leg.

The image features three black lines in the upper right quadrant. One line is nearly vertical, another is diagonal, and a third is a shallower diagonal line. They appear to be part of a larger geometric design or a technical drawing.
