13
14a — align center back slat with middle of chair

14b,c,d — work from middle outwards and space each slat evenly

14e,f,g

15a — glue seat slat onto front of chair

15b,c — glue next two seat slats onto precut ridges on front edge of chair
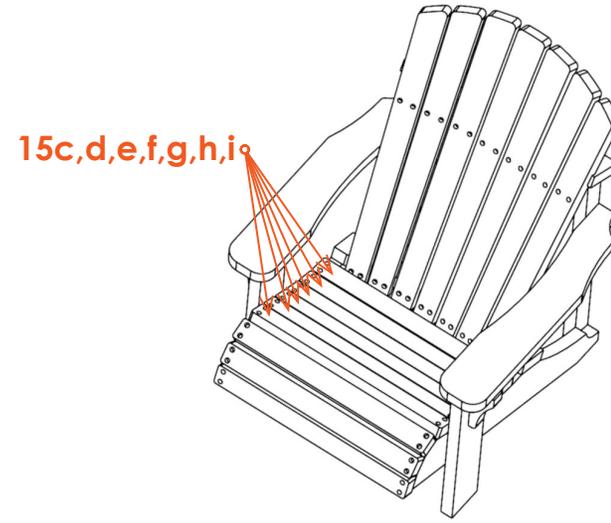

15c,d,e,f,g,h,i — glue last 7 slats on curvature of seat, spacing them evenly
