

# PINBALL PUZZLE

Ages 8+

1+ Player

Using our knowledge of physics, guide the marble into the correct pocket. Complete puzzles to reach higher, more difficult levels.

## SUPPLIES:

1 Grid Board, 1 Screen, 14 Obstacles, 56 Clue Cards

## SETTING UP THE GAME:

1. Set the deck of cards face up
2. Choose your level; the higher the number the more difficult the level

where each obstacle should be placed

- c. Under the section named “ADD TO BOARD,” the player will find which pieces they are allowed to use.

## THE RULES:

1. Observe the clue card, as it will indicate various important pieces of information.
  - a. At the top right of the card there is a red circle with a number. This number indicates the hole which the marble must be guided in.
  - b. The center of the card presents a set of colored circles and coordinates. The colored circles show what obstacle to use, and the coordinates show

2. Place the obstacles according to the clue card
3. The “ADD TO BOARD” pieces can be played anywhere on the board. Use them to guide the marble.
4. Slide the screen into the designated slot on the grid board.
5. Drop the marble into the dropped cup. If the marble goes into the designated slot, congratulations, you beat the level!. If not, try again.
