Luckily, the answer	is now	"yes."
Unfortunately, the answer	was once	"no."
Congratulations, the answer	used to be	"maybe."
Sorry, but the answer	will soon be	not "yes."
The answer to a different question	will sometime be	not "no."
A good answer	will always be	for you to guess.
Certainly, the answer		just what you want.
In your dreams, the answer		not what you want.
Happily, the answer		precise.
Sadly, the answer		not precise.
Possibly, the answer		impossible to know.
Your best friend says the answer		blowing in the wind.
Your worst enemy says the answer		"yes," but for a limited time only.
Your new friend says the answer		"no," but for a limited time only.
Everyone knows the answer		"yes," maybe "no" later.
Someone you like says the answer		"no," maybe "yes" later.
Someone you trust says the answer		written in the tea leaves.
Someone new says the answer		seen in your eyes.
Someone you know says the answer		trying to tell you something.
A little bird says the answer		keeping you awake at nights.
The graffiti says the answer		messing with your mind.
A private eye says the answer		told better by flipping a coin.
A secret admirer says the answer		revealed in the future.
A stranger says the answer		"yes" and/or "no."
