

**Small Rack:**

|                | Size:   | Quantity: |
|----------------|---|-----------|
| Base           | 24" x 6"<br>(You technically only need one of these but I would cut two so you can drill the holes for the top as shown in step 2. Plus, you can make both racks if you cut two!) | 1         |
| Top            | 24" x 3"<br>(If you cut two of the above piece, then you don't need this piece.)  | 1         |
| Middle Support | 22 1/4" x 3"  | 1         |
| Sides          | 11 3/4" x 6"  | 2         |

**Large Rack:**

|                |  |   |
|----------------|--|---|
| Base           | 24" x 6"   | 1 |
| Top            | 24 x 3"<br>(If you decided to cut two of the first piece of the smaller rack, then you don't need this.) | 1 |
| Middle Support | 22 1/4" x 3"   | 1 |
| Sides          | 15 1/4" x 6"   | 2 |
