

Date Predictor

Mr. Magic Man

Cut out the 2 pieces from page 1.

Place on table as shown in Step 1

(The X shows the "secret location")

Get 13 coins and place "face down" - step 2

(Remember the date of the coin at X)

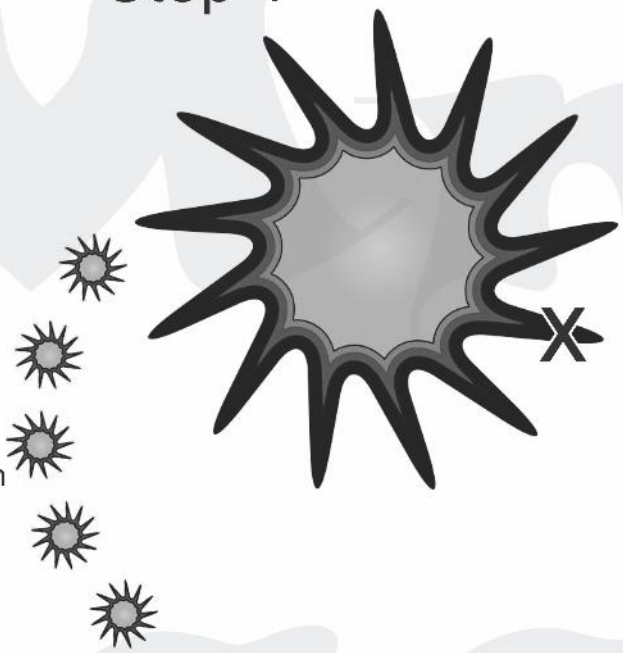

Write down the date remembered, fold paper and explain that this is the Prediction.

Have a number selected between 10 - 30 and explain that you will count up, then back.

Count "up" as shown in step 3 (ie. 15 selected)

Count "back" as shown in step 4, you will end up at the X location, flip the coin, show your prediction.
