Abbreviations:

K: knit

P: purl

CO: cast on

BO: bind off

sts: stitches

K1b: knit one below (This is a special stitch. See instructions below to learn how to work this stitch.)

K1b (knit one below): Normally, when you work a knit stitch, you insert your right hand needle into the next stitch on the left hand needle. Instead, insert your right hand needle into the stitch below the next stitch on the left needle. Knit that stitch, slipping the stitch above off of the left needle at the same time.

Note: If using #4 Worsted Weight Yarn, you need to double the yarn (hold two strands together and use them as one strand). If using #5 Bulky Weight Yarn, only use one strand as normal.

CO 91 sts.

Rows 1 - 4: K across. (total of 2 garter ridges.)

Row 5: K 3. *K1b, P1* across to last 4 sts. K1b, K 3.

Row 6: K 3. *P1, K1b* across to last 4 sts. P1, K 3.

Repeat Rows 5 - 6 until piece measures 26 ³/₄" from cast-on edge.

Repeat Rows 1 - 4 for upper border. BO loosely OR use the Suspended Bind Off as described in the video tutorial. Weave in ends.

Block to finished measurements for best results.
