Attach the parts

Start by the 2 'chains with 20 beads' in the center of the head (the end of the crocheted head), then sew the 3 'chains with 8 beads'. Finish by attaching the tentacles around the beaded threads.

The eyes

To finish, cut out 2 very small rounds in the black felt and glue this eyes to the head. You can add 2 very small dots with white paint on the eyes to obtain a cutest look.
