

Map card envelopes

These envelopes are super fun to make and will give your card a cool and unique look. It's super simple to make and once you get the hook of it you'll be making them in seconds.

Things you'll need

Tools

- : scissors
- : pencil
- : glue

Materials

- : one piece of white paper 3 x 2 in
- : A map sheet {I got my map from an old atlas}

1st step
Fold your map in half and cut off the excess.

2nd step

Now fold the sides in and put glue,
then fold them back to create a paper bag

3rd step

fold the top open part down to create a lid,
then cut some paper to make the
identification and glue it to your card
