Material needs

Backpack material 60cm by 30 cm

Digger cab material (felt recommended) 15cm by 15cm

Digger track material (felt recommended) 15cm by 15 cm

2 zips 10 cm each

Instructions:

Cut out pattern 2XA, 1XB, 1xC, 1xD, 2xE, 1xF

Pin B and C onto one of the A's and sew in place (place as pictured in image on first page)

Sew zips to A opening ends meeting at the top

Sew zips to the middle of the long edge of D

Sew A to D where there are no zips

Sew short D hem to Short D hem

Fold E and F in half long ways and sew along long edge

Turn E and F in the right way and place seam in the middle and sew along seams

Turn bag inside out

Sew E and F and other A onto D
