**HowTo:**

- Print with 0,5cm borders without scaling
- Measure height and width after printing!
- Mark your words with a pen
- Fix with tape on a standard 10x20cm metal plate
- Punch all your dots and +-marks in the corners
- Check your words - Burn the paper-sheets!

**Decoding:**

- Print sheet on foil and aling at the +-marks  
or print on paper and make a hatch with a soft pencil
- Look for the dots
- Identify page 1 or 2: Punched +-marks on the bottom
- Read your words - Burn the paper-sheets!
