

Hello everyone! Like all school related things, data is key. This is how we collect it. This is an entry survey. There is no grade, no names, and there are no wrong answers since they are all what you believe.

Check yes or no for the following questions:

Do you know what prosthetics are well enough to explain it?

YES _____ NO _____

Do you know what orthotics are well enough to explain it?

YES _____ NO _____

Do you know anyone with a prosthesis or orthotic?

YES _____ NO _____

If you were interested in prosthetics and orthotics, do you know how you would get into the field?

YES _____ NO _____

This is where you get to take advantage of being here. If you want any specific questions answered, please write them below.

Notes:

Hello again everyone! Yes, it is that time. Time for more data collection. This is an exit survey. There is still no grade, no names, and while there are wrong answers, they only help us alter this program to better establish the correct information.

Check yes or no for the following questions:

Do you know what prosthetics are well enough to explain it?

YES _____ NO _____

Do you know what orthotics are well enough to explain it?

YES _____ NO _____

If you were interested in prosthetics and orthotics, do you know how you would get into the field?

YES _____ NO _____

Do you think this experience was effective at helping you learn about O&P?

YES _____ NO _____ *if no, please explain why or how we could improve below.*

You have another chance to take advantage of your visit. If you had any questions that were not answered, please write them below.
