The image features three black lines on a white background. One line starts at the bottom left and extends diagonally upwards to the top right. A second line starts at the bottom left, extends diagonally upwards to the right, and then turns left to extend diagonally upwards to the top right. A third line starts at the bottom left and extends diagonally upwards to the right, ending at the right edge of the frame. The lines intersect to form a shape that resembles the backrest and seat of a chair.

The top right corner of the page features several thin, black, straight lines that radiate from a single point towards the left and bottom edges, creating a series of triangular shapes. These lines appear to be part of a larger, partially visible geometric design or diagram.
