

# Papercraft LED Whirlybird

Print out this template on regular 8 1/2" x 11" copy paper. Cut out template and follow the simple fold instructions to arrive at the shape shown at right. Then, gather the remaining materials and follow the guide steps for assembly.

**Start Here.** Fold section over section (not accordion style) toward opposite edge at each of the dotted lines. Then, fold THAT shape in half one more time to give you the shape pictured in the upper right corner of this sheet.
