

this is an eye.
in most cases it is traditional
to have two of these

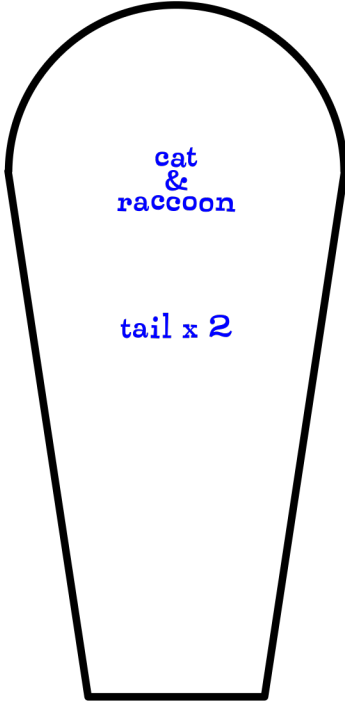

cat
&
raccoon

this ear needs to be cut
out 4 times - twice for the
front, twice for the back.
it might be nice to have
different colours?

you need 2 of the body

but only one needs a tail hole!

cat
&
raccoon

tail x 2

the bunny
needs 4 of
these to make
2 ears

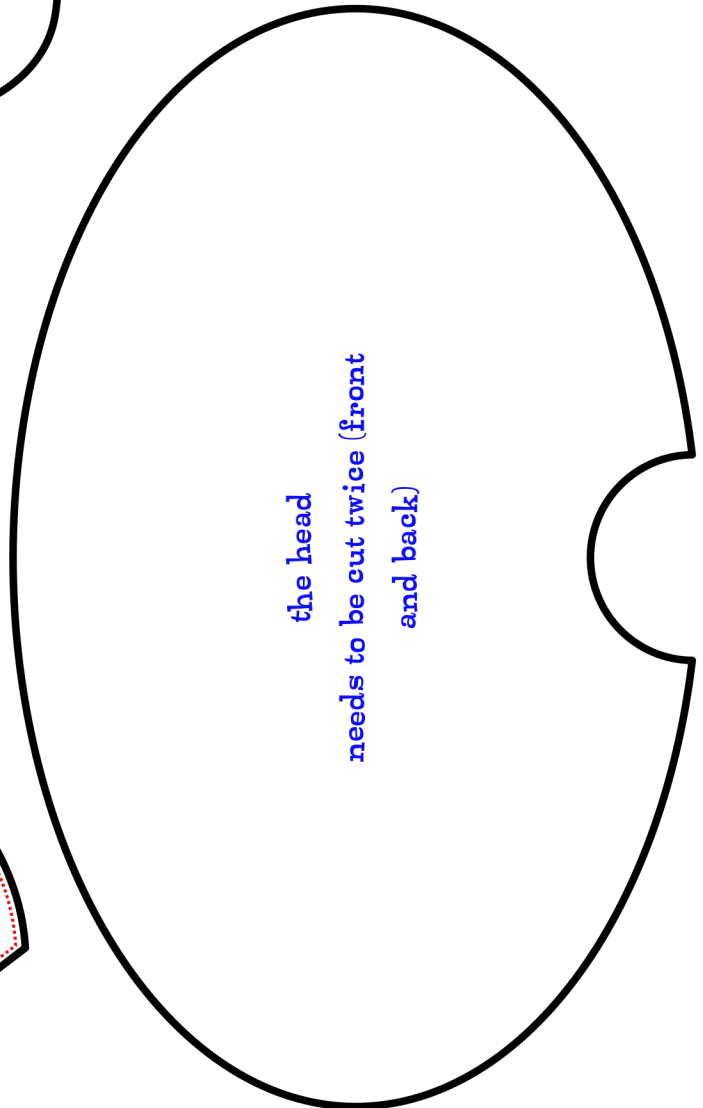

nose

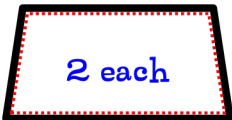

1 bunny
tail

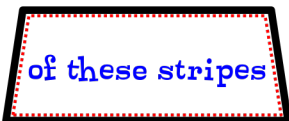

2 x insides
for bunny ears

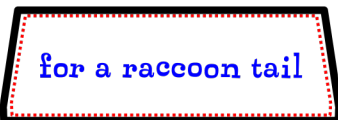

the head
needs to be cut twice (front
and back)

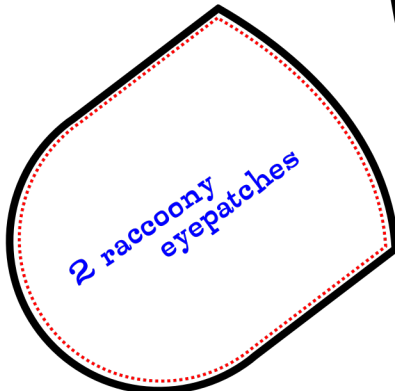

2 each

of these stripes

for a raccoon tail

2 raccoony
eyepatches
