## SIGNS REMOVED BY A CONCERNED CITIZEN

Attaching advertising signs to trees or utility poles is *against the laws* of Washington State, Snohomish County, and cities in Snohomish County. These signs are legally the *same as litter*.

These signs were *illegal, ugly, and obnoxious* and have been removed. The people who posted them showed that they didn't care about their neighbors. Please don't patronize their businesses!

Future signs will be **removed** or defaced, after reporting them to the proper authorities for investigation.
