<u>Step 1 :</u> read the different animal's profile / talents.

<u>Step 2</u>: Now, think about your way of working (like when you receive a new task... or when you need to learn something new or prep. for a test.)

<u>Step 3:</u> Now, think about how you are and how you behave in group. How do you behave with your friends or with your family? Are you going to interact the same?

<u>Step 4</u>: Now chose the 3 animals that represents you the best and write them down on the lines. (behaviours towards work, friends and family)

<u>Step 5</u>: Now get together with a classmate and have a quick chat about your reflection. Why you chose this over that. What are your views and what matters to you. You can use the cloud bellow to make a little brainstorming.

<u>Step 6</u>: Now trade pages with your partner and write on his/her page what animal you would chose for him/her. (Write on the partner page) and tell him/her why.
