

# WATERSCOPE

HOWTOONS.COM

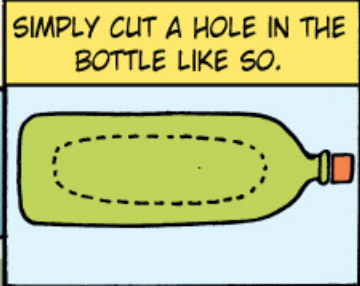

HEY TUCK WHATCHA DO'IN ?

NOTHING REALLY JUST SOME SIMPLE OCEANOGRAPHY!

HOW CAN I FASTEN MY SCOPE INTO A MASK?

TO MAKE AN UNDER-WATER SCOPE ALL YA NEED ARE SCISSORS AND A 2 LITER SODA BOTTLE.

SIMPLY CUT A HOLE IN THE BOTTLE LIKE SO.

NOW JUST SUBMERGE YOUR SCOPE HALFWAY INTO THE WATER AND START EXPLORING.
